*In 2020 we would like to welcome Leven Santa Gertrudis*

## **LEVEN SANTA GERTRUDIS**

---

The Stud is located in the heart of the Hunter Valley, New South Wales 16km from Muswellbrook.

The stud is operated by Paul & Lyn Richards.

Leven Santa Gertrudis was established in 1991, with females from Goonoo Goonoo and Diamond T herds.

The property is gently undulating to hilly, mostly natural pasture, with crops of oats, triticale and millet grown for hay production.

The philosophy is to breed high quality fertile, functional cattle to suit both stud and commercial operations, using superior genetics.

The extensive use of Artificial insemination allows the stud to utilise superior genetics, this has seen the stud become highly successful in both the showing and at sales.

Steers and commercial heifers are grain fed for 90-120 days and sold directly to Woolworths. These animals consistently obtain an MSA grading index of 65.

Bulls and females are sold on property and at previous multi-vendor sales including the Northern Breeders group sale at Tamworth, where the stud sold Top Price of \$18000 to Tara Santa Gertrudis.

In the show ring our females have shone. Leven Opal was awarded Grand Champion Female in 2011 at the Sydney Royal Easter Show. In 2015 Leven Ophelia at 11 months was judged the Supreme Santa Gertrudis female by Greg Fuller of Pine Creek Angus. He described the heifer 'as a fine example of a high-quality Santa Gertrudis female, she would stand out in any showing across the country and in any breed.' The Santa Gertrudis pair combined to place 3rd in the Hordern Trophy.

## **PONDEROSA SANTA GERTRUDIS**

---

Ponderosa Santa Gertrudis is located East of Kempsey on the Macleay River Flood Plain. Seasonal conditions were toughest in memory in the later part of 2019 but significant rain has fallen since and the feed and water have returned in abundance. I recently sold Santa Gertrudis steers for 450.2c to average \$1200 . We look forward to the new season calves by Rosevale Park Statesman M10 son of Rosevale Park Marshall B12 , a very correct dark cherry red sire whom I showed as a youngster.

## **SILVERDALE SANTA GERTRUDIS**

---

Silverdale Santa Gertrudis has recently made its home at Rosevale, South West of Ipswich in the Scenic Rim area of South East Queensland. With stunning view of Cunninghams Gap and the mountains of the Great Dividing Range Rosevale Park Pharoah H4 and his cows call this scenic location home. We are offering 3 quality young heifers that will be an asset to any herd.
